To the family of Violet.....i am so sorry for you loss. I worked with Violet at coco palms on kauai. My memories are implanted in my mind of the year i worked there and Violet is a part of those memories. We all worked the nite shift, most of the time, and stayed on to watch/hear Larry Rivera. Ooooooh he could sing. We used to try and get her to let us in to the coconut palace to get comp meals to no avail. She was too honest. But we respected her status. What a wonderful person she was. If i had known she lived here on the big island, as i do, i would've definetely contacted her and recollected all those wonderful times at coco palms! Now, i will truly miss her. Aloha and God bless all. Harriet chung

Aunty Violet was such a beautiful person. I got to know Aunty while working at the Salvation Army Thrift Store in Hilo in the early 1990's. We had alot of great times working together. She treated me like a son. Bought me lunch from time to time and even soda on those hot days. Often I got scolding for being kolohe. She used to say Billy Aunty know you not a pilau person. I can tell by the look on your face. Lol! Anyway, Thanks for the great memories and I still think of you till this day Aunty Vye. Rest in peace and I know that your brother Al and you are singing in heaven. I will never met a beautiful and kind soul ever like you. Missing you! Aloha Aunty.....Love you Billy!

Thank you Harriet for remembering my mom and her days at the Coco Palms. I remember those days.....my first job was at the coconut palace. Remember she always wore the biggest flower in her updu and all her clothes that she sewed herself.....gosh good memories. Aloha Wilma
