MaryLou, Debbie, and J.D.,As new neighbors, we are so glad we had the opportunity to share a short time with Everett. He was such a joy to be around, always busy in his shop and yard, telling his war stories, and always ready to lend a helping hand. John held up a piece of sandpaper the other day and said, "This is the sandpaper Everett gave me." MaryLou, please let us know if there is anything we can do to help you out.
