I am so sorry to have read of your loss. Please accept my sincere condolences. The Bible is a great source of encouragement at times like this. Something that I have personally found to be of great comfort is what the Bible says at John 5:28, 29 (Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment.) As well as Revelation 21:3,4 (With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.) These verses show us that soon God is going to bring about a resurrection of our loved ones as well as do away with all causes we have for suffering including sickness and death. Knowing this has always comforted me and it is my sincere hope that these thoughts comfort your family as well. Again I am so sorry for your loss and May Jehovah God bring you comfort during these difficult times.

Death of a loved one is one of the hardest things that can happen in life, but our heavenly Father has promised of a resurrection of all our loved ones in a paradise free from pain and sickness and no more death. I hope this brings you much comfort during this time. (Rev 21:4, Acts 24:15)

Dear Keomaka Family, We are sad to hear that Gail passed away. She was our favorite at Kona Village. We live in San Francisco and she always made our Kona time perfect. Gail had the best spirit and outlook. We always wondered if anything bothered her. She was such an example of the spirit of Hawaii. When we think of Gail, we will always remember her big smile and welcome!

Our heartfelt condolences to the entire Keomaka Ohana. We will miss Haunani, she was such a good person. Love the way she enjoyed taking care of animals even if they weren't hers. She cared for Iniki and Smooch down at Kona Village. Once she had to open her desk to get something for me and Iniki (White Cockatoo) was taking a nap in there, covered with a little blanket! So Cute! She always talked about her pets, past & present and showed how much she cared for them. She also talked lovingly of her sister Mary and her brothers in Hilo & Arizona. She was grateful to have such a caring Ohana. Tank & I were fortunate to talk with her several weeks ago and we have good memories of that day and many others to keep with us. God bless Haunani.
