My condolences to the Spalding family. Psalms 146:4 says: His spirit goes out, he return to the ground, on that very day his thoughts perish. So your loved one is in no pain, she resting, hoping to be in God's memory so that she may be brought back to life, then you may enjoy her again. I hope this bring you comfort and strength.

Scotty, Guy and Karen. We were so sorry to learn of Mom's passing and had no idea she was ill. We are not able to make the services on Friday as we leave Thursday night on a trip. Wanted you to know we have such wonderful memories of your Mom. We are so happy that you are scattering her ashes at Puhi Bay. That was your Dad's favorite hang out when we were growing up. Deepest Sympathy to all of you. Me ke aloha pumehana, Aunty Tootsie and Uncle Billy Bergin

Aunty Pearl you will be so missed and forever in my heart. Thank you for being a great friend and co-worker. A time that stands out at this moment is when we were on training retreat. Early in the morning your singing and playing the Ukulele could be heard through the complex. You were a very kind and supportive to those that knew you. I was very blessed having known you.
