Brandon Sanchez sent a virtual gift in honor of Tom.

Coach P. was my teacher this year. He was a great teacher and always wanted the best for all his students, he would cheer us up, tell us jokes, and always push us to do our school work because he wanted to see each and everyone of us graduate. I remember he would share stories with us, he would tell us about when he used to be the pitcher in the minor league for the Red Sox. He had this cheerful, positive, inspiring attitude which always made students try their best. Thanks to him I graduated and I remember the last week of school leading up to graduation I paid him a visit and had a talk with him to thank him and let him know I was graduating and he was happy to know that. I'm glad I got the chance to thank him and have a conversation with him but I didn't know it would be my last. Rest In Paradise Coach P. 😊

Knew Tom for 25 years. Started at ULV when he was asst. baseball coach. Had some interesting talks then when he be at practice or when he worked security. Then I left working for the athletic department and we still talked all the time. Loved his Hawaii home even though he worked my butt off fixing it up. But loved it even so. Linda and Tom took care of me in Hawaii so I could enjoy it. Then I moved to the desert and he would call every day or so to stay in touch. Will be missing him on my drives to work as it takes me hour to get to school and he would break up the drive with a call. Then got married and I very upset I didn't meet up with him so he could meet my new family. Still in shock over it as school is about to start up and will see if I can keep a dry eye on the road waiting for him to call. Linda deepest sorry I feel for you as to the way Tom left you but as I get a high from him as he passed in Hawaii and not a bad place to go. Love Tim C.

Tommy was my cousin. We lost touch when his family moved to California. I was so close to reconnecting with him. It would have been fun catching up on old times. Rest in Peace, Cousin. Say hello to the family in Heaven.

great guy. Tom hit me while he was pitching at Hollenbeck during Colt league. after the game he saw me in the small parking lot and came over to see if I was ok. that's the kind of guy he was. very caring. always cared about how I was doing when I was coaching at Charter Oak High School & at South Hills. great guy and I'm sure going to miss him.

We lost a wonderful friend.. We will cherish the memories of our times in Baja and the good times we had at Ricky's Cantina .. Our prayers from the Alexander Family and the Baja Bunch I remember the night we went to Ricky's on a Valentine's Day /I and Rafe was with us and .It rained so hard it washed part of the road out, Rafe sat in the back seat and Prayed and kept saying "Mr. Robert do you want me to drive?" all the way home. .the next morning we found out the bridge washed out. What luck that we got home just in tim. We are really going to miss you Big Tom[Porky}e. Love You

I had the honor of meeting Tom at Joshua's and Devin's baby shower. I have never laughed so hard, he was always cracking jokes left and right! He was also very sweet, inviting us to Hawaii for a visit. Even though we just met, I know he was a blessing to his family, the memories I have heard from Shelby and Debbie I know he was loved very much.

Mr. Pokorski was my teacher at Independent studies. He always greeted me with a friendly and welcoming smile. He displayed positivity during a time when there was very little in my life. He made it seem like everything would be okay. I was a struggling teen at the time and felt everyone was against me, but Mr Pokorski never made me feel less than. There is a small list of men I model and Tom is one. I'm 35 now, and It saddens me to hear about his passing, but I know he is still looking over his kids. RIP Mr P.
