Dear Linda and Family: Sharon and I want to extend to you and your siblings our deepest condolences on Walter's passing. As you know, he served on the Board of Directors of the Hilo Lagoon Centre for many years where we got to know each other. We also enjoyed having both of you at our Thanksgiving luncheons at our home when we were having the event. Walter was one of a few persons whom I immediately knew after our first meeting that he was a person I could trust. He was a kind person and generous with his time in volunteering to provide piano music at our annual Christmas and Halloween socials at the Centre. He was impressed when told me he taught himself to play the piano. I was especially loved to hear his "sea" stories from his sailing days. I was impressed with his skills as a navigator and sailor. He fondly talked often about his family and the days he operated his business. He was a good man. Take care. Al Inoue and Sharon Scheele
