May the Light of Yeshua and His Love be with you all always. Upon Angel wing's I now fly with Yeshua's Holy Spirit by my side. I know the sadness you feel inside. Just hold on to the memories within your heart, where I will be and never part. The Love we shared was truly from Yahweh, now it's time to leave, and return home filled with Love and Life. There i'll be waiting for you, to share this new life with Yeshua who gives us life. Shalom
