Rob was such a fun, kolohe person, who isn't going to miss him? We're so sorry for your ohana, Val, but hope that the true happiness you shared with each other will continue to give you strength in the future. I will really miss Robert (or as we called him in keiki days, Thumper), and am glad I was able to get back in touch with him in recent years, it meant a lot to me, as it did finally meeting you. We both thought we lucked out in marrying such great women. Me ke aloha pumehana, Pete

Robert was a really nice guy and a great neighbor. We were so shocked by the news as he had just mentioned retiring to Florida just a few days before. To Val and the Kids, We are truly sorry for your loss, but please know that if you need anything, we are right next door. I am sure Robert is in his Florida smoking some cuban cigars.Starr & Greg
