Rodney was my friend for many years.I remember him fishing by the lighthouse.I just heard he was in the hospice yesterday.I said, I should go see him; and our mutual friends said, I shouldOur friend who told me said, he might already be gone;so I looked him up, before going...I wanted to see him, to say aloha, to tell him I'm sorry for any problems we had.We were friend's for so long, and mad at eachother for too long.I hope I learned not to let anymore of my friend's die without letting them know, I love them.He was a big part of my life; and for years we hung out together just about everyday.He looked so healthy the last time I saw him, I thought we could talk another day.Aloysious
