Dear Alan & Yolanda Urakami, Debra Urakami Ah Toong and Family, We were deeply saddened to learn of the passing of your father, Tadayuki Urakami. Bereavement is so personal that few of us, unless we have experienced it ourselves can comprehend its grief. We will remember Tadayuki for his generosity and especially for his support to our Honohina Hongwanji Mission. He was truly from the old school, promoting and perpetuating the Buddhist religion to his final days. You can all be proud of his many accomplishments and especially happiness for his family and his community. Although mere words are never enough, we hope it will comfort you to know that your grief is shared by many others and especially our temple members. Please accept our sincere condolences. In Gassho, Harold Uyeno, President Honohina Hongwanji Mission

I would like to extend my deepest condolences to the family of Tadayuki Urakami. I have had the pleasure of working with him for 30 years. Ura or "Smiley", as he was known as, was a very kind person. Your dad was a good, safe truckdriver and a valuable asset to Jas. W. Glover. I will miss his smile and his signature crew cut hair. I am very saddened to learn of his passing. Love & Prayers, Norman Kia
