My memory of cousin Bobby goes back when he had a really nice Blue Chevy with a Black vinyl top, around his latter high school days; he stayed with us a couple weeks, living upstairs down at Panaewa farm lots. I was probably in the 4 or 5th grade at St. Joseph's, he had a little family pilikia, it all worked out though! Everytime I hear Gary Puckett and the Union Gap playing on the oldies radio, I'm taken back to this time of 8track tapes and Bobbys mid 60's Chevelle! Waking up in the morning for school and couple times ride to school with my older cousin in that car! Over the years he moved and I went to the mainland, every now and then we would run into each other on visits back home in Hilo! Sad of your moving to bigger and better places Bobby! We all are Sad. My Faith tells me, we will all meet again! May our Spirits and yours abound with Aloha Always! Your cousin Martin "Marty" Branco.

Bobby had a very loving and caring heart. Though our paths went our separate ways he would many times call to wish us a merry Christmas. He will be remembered by us fondly. May our good Lord comfort his family during this time of grievance. Aloha Bobby, May you rest in peace.
