June, I am so sorry to hear of the passing of your father. What a sweetheart he was! When I had to find you for the last high school reunion we attended together, I called your parent's home. Your dad was so calm and loving and knew exactly who the "little Carlsmith girl" was and that momma would get a hold Junie. I still remember that very calm and steady presence in that conversation - - not to mention your swift response and attendance! Please know that my family sends their love to your family, and if there is anything you ever need, don't hesitate to call upon us. All my love,  
Marcella
