Vicki Duckett lit a candle in honor of Marilyn.

Marilyn was kind and generous to me. My husband Dana loved her very much and the time he spent with her before he passed away meant the world to him. The children are very sad to lose their grandma so so after losing her son. The time we spent at the cabin on Ohau with the family was some of the best times of our lives.

We will treasure that trip forever. We love you, Amy, Roger, Kurt and Sean with all hearts. Love Vicki, Catherine and Michael.
