I could not have asked for a better aunt. She encouraged my love of music, she was always ready to listen, and I love her sense of adventure. I would love to hear any stories people have to share. The ones I've heard so far have brought me lots of joy.

Wanda Johnson Mullins lit a candle in honor of Mary.

Mary Alice was a friend of mine from first grade until now. We went through school and Girl Scouts together and watched each other grow into young adults. There was never a friend that was as sweet and thoughtful as Mary Alice. Everyone she met left with a feeling of love and compassion, Mary Alice, you will surely be missed. All our graduation class will feel a sadness you are gone from this earth but rejoice that you are flying with the angels. You are so loved! Wanda Johnson Mullins ❤️🌸❤️
