The fondest memories I have with this guy was picking opihi!!! We would cross the lava gardens so he could get the best pick!!!! He was funny and most times very serious! The memories that I shared with him and his family will forever be priceless. I know that he is with our Father God, as he is building his empire for him and his beautiful Family. Douglas, you will forever be in our hearts and never forgotten. I love you and may you rest in love, as we will all see each other again one day....
