Byron George Levey

JAN 1, 1950 - OCT 10, 2024

B yron was born and raised in Lodi, CA. Son to Leroy and Martha Levey, brother, Don Levey, sister to Sandra Starkey, and Father to Jeremy Levey. He served in the United States Air Force Reserve for 6 years and worked in the printing industry for most of his life. He enjoyed music, San Francisco, the Grateful Dead, Rolling Stones and could sing like Jagger. A life long rock and roll, and 49er football fan. He drove a black 911SC, and was quite handsome. I met Byron in 1989, shortly after the Loma Prieta earthquake in Santa Cruz, CA. I had recently opened an Artschool around the corner from his business, Accurate Rubber Stamp. He made me laugh and brought happiness back into my life. He was my best cheerleader for 35 years. We agreed to build a new life together. We were blessed with a beautiful child, Jeremy Stanton Levey. We bought a house on Casserly, then another at Manresa. Then in 2005, Byron had a stroke or two that changed our lives. For the next 19 years, we redesigned the future, and remained strong in Love. Jeremy was 18 when we moved to Hawaii Island, where we spent 10 magical years exploring this beautiful terrain and the Aloha of our new community. Byron was strong willed, brave, intelligent, and possessed a powerful wit and sense of humor.

Byron George Levey

His timing was impeccable. He knew all the right words. At some point they didn't matter, we

had our own language. Life had taken most of them away. His last words were

"Jeremy" and

"Unbelievable". Life is that, and I'm so happy I got to spend it with Byron.

RIP My Love,

Susun Gallery Levey

My Uncle Byron was always very nice to everyone. Byron loved my Aunt Susan so much and they shared a beautiful life together. I wish I had been able to visit them after they moved to Hawaii, but as long as they were happy, so were we. Im so sorry for your loss Aunt Susie. Rest in Peace Uncle Byron. We will always keep a piece of you in our hearts.

It's been a long time since I've seen you all,- but your family was always very special to ours. It was amazing that you let Jeremy travel to Denmark with us,- Jacob was ecstatic. And I believe they had a great time. There was also a ski trip where Jacob came home with a wooden spoon wrapped to his arm.. I think we still have it. Byron was always so friendly,- easy going, Kind And funny. We surely missed you all when you moved to Hawaii. I followed you on facebook and saw all your beautiful photos- and the always beautiful people surrounding you.. Byron always with his smile. We are so sorry for your loss. Sincerely Sanne & family
