not sure if my post went through so writing it again to make sure. To the Towata family- we the Miyazono family would like to send our condolences to your family during this time of sorrow. We have had many fond memories with your family with scouting and camping. Those were the good old days! If you need anything just ask. Our memory of Pearl is how long she kept her hair for many years. It went all the way to her ankles! Wondered how she took care of it for so long. Her memories live on with you. Take care of each other during the holidays! Love Allen, Leanne & family, and Jason
