Hi Christian It is our understanding that FLOCK is optaierng in Searchlight, NV. FLOCK is very resilient. They were originally optaierng a facility in PA, but were banned from optaierng an animal rescue there. Prior to opening their facility in Pahrump, they were located in Sloan, NV. They were cited for having too many cats at that facility and that is when they moved to Pahrump.##imported-begin##Santoshkumar##imported-end##

Dear Brother Leen, I forgot to canlrotugate for the nice pictures in the ESV Study Bible. Also an interesting tool on line with the registration facility. (It works easier than the Librinox Logos system I also have, but is much more difficult to use.) I prefer on that matter Importantia's OnlineBible (a somewhat wrong name for a very good program of which we offer a basic version to our readers, and Cd's can get Daily reading Notes modules from us for free) Next I use also E-Sword, The Sword, The Word and some others which seem more interesting for good Bible Study then Glo which really looks a very nice gadget and something very attractive for newcomers and laymen on the Bible and its history. It would be great if your drawings would also be incorporated in the Online Bible Software program, and we could use them in our magazines. So perhaps you could come to arrangements with the makers. (Or when you have made modules for that system yourself they also would be welcome by us.)Lots to think of.Success with your work.Yours faithfully,Marcus & Belgian Christadelphians##imported-begin##Omarjojo##imported-end##

I grew up in Pittsburgh and was good friends with her oldest son, Alan. Alan and I stayed in touch for a long time but had a falling out later. I recalled Ann as a very nice woman who was nice to me when I came to stay with the Borovick's in California in the spring of 1969. By then, the dad had passed away and it was just Ann and the rest of her family.##imported-begin##Jim Rhodes##imported-end##
