Donald, my big brother, will always live on in my heart and soul. I am so grateful to spend time with him growing up in the Bay Area and to call him my big bro. His life was filled with music, humor, and love of the ocean that he instilled in me. His imprint on my life is incalculable. Lively up yourself! Much love to Deb, Scott, and Marley. Don was my Friend and neighbor, I went to High School with Marley and attended many of the parties Don had when he and some friends would get together and jam, he was a excellent musician. He gave me a lot of advice on life. It amounted to don't live too fast, drive safe and do what you feel is right. My love and prayers goes out to Auntie Debbie and Marley. Don was an great person to talk and joke with, but his lessons on life and how to live are priceless. He will be missed. love,
