Just wanted to say Hi and job well done on your site. We were in the same mini pack at UIBC, and while many there have dreppod off, or out, it was SO refreshing to find you active on line. I absolute LOVE your posts and the perspective you put in them. It is easy to sense and feel that you are truly one of the Dynamite Dads out there and that you want to share this with the world! I am not sure what/how you are doing in monetizing the site.. but I have faith it will work if not now, eventually. Feel free to copy/edit this message for posting on your site.. I think you are doing an AMAZING job. Hugs and best wishes, Norma##imported-begin##Kenji##imported-end##
