Hi Ben and Amy, Great to hear from you. I went to frosteddreams.com and read your very interesting story and passion to make Frosted dreams come true. I am impressed with your high standard and effort. To answer your question, Would you mind if I share your blog with my facebook group? , YES BY ALL MEANS. If it means more people can benefit by reading and listening by going to the site, that would be great. We post blogs for that reason. They are free to recommend to others what ever they have liked. Thank you for asking. All the best. Kind regards, Jim.##imported-begin##Ravi##imported-end##
