Aloha to all of Steve's family. I am so deeply sorry about Steve's passing. I lived on the same block on 8 Road and developed a friendship with Steve over the years. He was a kind man who cared deeply for his family, especially his grandchildren. I had not seen him in the last several weeks and thought perhaps he was traveling to see his beloved grandkids as he often did at this time of year. Now I know. We had lovely conversations and he always had a kind word for me; I will miss him dearly. Chris's death was a big blow for him and I don't think he ever really recovered from it. The last time I saw him he told me of his immobility issues and I know that was difficult for him to deal with. He is at peace now. I will never forget him. If there is anything that I can do for any of you, I am here; it must be difficult to handle things from a long distance. My phone number is 808.966.7603. I wish you comfort and peace during this difficult time. Love is all there is. Aloha, Steve! Aloha, family. Burna Craft O'Toole
