Comments

“ Im so sorry to hear of your loss,
The bible calls death an enemy, our heavenly father understands more then anyone else the pain we feel when we loose a loved one in death, that is why he has promised to return life to our loved ones in a paradise earth free from pain and suffering. (Psalms 37:9-11, Rev 21:4). I hope this bible based hope and promise brings you much comfort during this time.

“ I am so sorry for your loss. I know how difficult the loss of a loved one can be. But, something helped me to cope and i want to offer you that same encouragement. Revelation 21:4 says that God promises to end out suffering and end death forever. Along with that, those who have died will be resurrected and live in a cleansed new earth free of wickedness and suffering forever. Isn't it great to know that Our Creator wants to end our unhappiness and actually yearns to help us. So, please, whenever you feel discouraged, remember the promise of Our Loving Father.
